Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)	U.S. Department of Agriculture (USDA) Farm Service Agency (FSA)	Provides emergency assistance to eligible producers of livestock, honeybees and farm-raised fish for losses due to disease (including cattle tick fever), adverse weather, or other conditions, such as blizzards and wildfires, not covered by LFP and LP. Total payments are capped at \$20 million in a fiscal year for the Nation. Sign-up timeframe for the program will be announced in the near future	http://www.fsa.usda.gov/FSA/newsReleases?area=newsroom&subject=land&topic=pf&newstype=prfact-sheet&type=detail&item=dt_20140212_dist_en_lfp,lt ml				Short Term	Navdeep Dhillon Farm Program Chief 530.792.5520 navdeep.dhillon@ca.usda.gov
Emergency Conservation Program (ECP)	U.S. Department of Agriculture (USDA) Farm Service Agency (FSA)	Assists farmers and ranchers in repairing damage to farmlands caused by natural disasters and to help put in place methods for water conservation during severe drought. The funding for ECP is determined by Congress. Up to 75% of the cost to implement emergency conservation practices can be provided, however the final amount is determined by the committee reviewing the application. Qualified limited resource producers may earn up to 90% cost-share. The FSA County Committee is able to approve applications up to \$50,000 while \$50,001 to \$100,000 requires state committee approval. Amounts over \$100,000 require the approval of the national FSA office. Farmers and ranchers should check with their local FSA office to find out about ECP sign-up periods, which are set by the FSA County Committee.	https://www.fsa.usda.gov/FSA/webapp?area=home&subject=copr&topic=ecp			DR EM	Short Term	Navdeep Dhillon Farm Program Chief 530.792.5520 navdeep.dhillon@ca.usda.gov Val Dolcini State Executive Director 530.792.5520 530.400.6100 val.dolcini@ca.usda.gov
Emergency Loans	U.S. Department of Agriculture (USDA) Farm Service Agency (FSA)	Funds for farmers and ranchers for crop production and physical losses. Producers can borrow up to 100 percent of actual production or physical losses, to a maximum amount of \$500,000.	http://www.fsa.usda.gov/FSA/webapp?area=home&subject=fmlp&topic=landing			USDA Secretarial	Short Term	Navdeep Dhillon Farm Program Chief 530.792.5520 navdeep.dhillon@ca.usda.gov Val Dolcini State Executive Director 530.792.5520 530.400.6100 val.dolcini@ca.usda.gov

	Jesus Mendoza	Food Commodities	U.S. Department of Agriculture (USDA) Food and Nutrition Service (FNS)	Funds to purchase food commodities necessary to provide adequate supplies of food. Funding varies based on individual needs.	Can be appropriated by the Secretary of USDA			DR EM	Short Term	Jesus Mendoza, Jr. Regional Administrator 415.705.1337 jesus.mendoza@fns.usda.gov
	Luana Kiger 04/06/15	Conservation Innovation Grant (CIG)	U.S. Department of Agriculture (USDA) National Resources Conservation Service (NRCS)	Voluntary program intended to stimulate the development and adoption of innovative conservation approaches and technologies while leveraging Federal investment in environmental enhancement and protection, in conjunction with agricultural production. Under CIG, Environmental Quality Incentives Program funds are used to award competitive grants to non-Federal governmental or nongovernmental organizations, Tribes, or individuals. CIGs are competed both Nationally, and at the State level. Currently, State level CIGs are limited to \$75,000 each. Signup periods are advertised each year. 2015 has closed.	http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/financial/cig/				Short Term	Alan Forkey 530-792-5653 Alan.Forkey@ca.usda.gov Erik Beardsley 530-792-5649 Erik.Beardsley@ca.usda.gov
	Luana Kiger 04/06/15	Emergency Watershed Protection Program (EWP)	U.S. Department of Agriculture (USDA) National Resources Conservation Service (NRCS)	Helps communities install emergency recovery measures necessary to reduce imminent threats to lives and property created as a result of natural disasters such as fire, flood and drought. Applicants (Sponsor) include state, county, city or tribal government who provide 25% of the construction cost, landrights, permits and maintenance of the emergency recovery measures, generally for a period of three years. The federal cost share is 75% rate of the construction cost. EWP Sponsors can request assistance through local Service Centers located in most counties. Funding varies for each declared event and project proposal.	http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/financial/ewp/ USDA Service Centers can be found at: http://www.nrcs.usda.gov/wps/portal/nrcs/main/ca/ccontact/local/					Greg Norris Program Manager 530.792.5609 greg.norris@ca.usda.gov Luana Kiger Drought Coordinator 530.792.5661 luana.kiger@ca.usda.gov

Carol Pranka	Luana Kiger Erik Beardsley 04/06/15	Environmental Quality Incentives Program (EQIP)	U.S. Department of Agriculture (USDA) National Resources Conservation Service (NRCS)	A voluntary program providing financial and technical assistance to agricultural producers through contracts up to a maximum term of ten years in length. These contracts provide financial assistance to help plan and implement conservation practices that address natural resource concerns and for opportunities to improve soil, water, plant, animal, air and related resources on agricultural land and non-industrial private forestland. In addition, to help producers meet Federal, State, Tribal and local environmental regulations. Program participants may not receive, directly or indirectly, payments that, in the aggregate, exceed \$450,000 for all EQIP contracts entered into during the period beginning February 7, 2014, through 2018, regardless of the number of contracts entered into by the person or legal entity. Additional payment limitations apply to producers enrolled in the EQIP Organic Initiative. EQIP is only available for agricultural and private forest lands. These are competitive on an environmental benefit level, and have a basic fund limit of \$450,000 per agricultural entity.	http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/financial/eqip/				Long Term	Alan Forkey 530-792-5653 Alan.Forkey@ca.usda.gov Erik Beardsley 530-792-5649 Erik.Beardsley@ca.usda.gov
		Rural Housing Direct Loan (Section 502) Program	U.S. Department of Agriculture (USDA) Rural Development (RD)	USDA provides repair loans to eligible low-income individuals to make repairs to their homes. Applicants must meet repayment requirements. Applications accepted year-round. Applicants include eligible low income individuals. Home repair loans may be available to help individuals impacted by drought, including drilling a well, purchasing well pump equipment, and covering costs to connect to a community water system. Homes must be located in rural areas and towns of up to 25,000 in population.	http://www.rurdev.usda.gov/hsf_sfh.html	No	No	No	Yes	Stephen Nnodim Stephen.Nnodim@ca.usda.gov

Carol Pranka Rural Energy for America Program (REAP)		U.S. Department of Agriculture (USDA) Rural Development (RD)		USDA provides grants and loan guarantees to help rural businesses and agricultural producers purchase and install renewable energy systems or make energy efficiency improvements. Grants may not exceed 25% of eligible project costs. Applicants include rural businesses, farmers, ranchers and other agricultural producers. Funds can be used to help ag producers facing increased irrigation costs due to drought conditions develop energy efficient or renewable energy projects to reduce irrigation costs. Grants range \$1,500-\$250,000 for energy efficiency projects such as replacing inefficient water pumps with more efficient units. Grants range \$2,500-\$500,000 for renewable energy projects such as solar systems used to generate electricity for ag irrigation pumps instead of generators. Projects must be located in rural areas and towns of up to 50,000 in population. Applications accepted on annual basis - contact USDA staff for details.	http://www.rurdev.usda.gov/BCP_Reap.html	No	No	No	Yes Short Term	Carol Pranka carol.pranka@ca.usda.gov
Carol Pranka Rural Development Community Facilities Program		U.S. Department of Agriculture (USDA) Rural Development (RD)		USDA provides loans and a limited amount of grant funding to help develop essential community facilities for public use in rural areas. Grants cannot exceed 75% of project cost, and availability is based on population and income. Long-term fixed-rate loans. The length of term depends on the type of facility being improved or equipment installed and its useful life. Applicants include most state and local government entities, nonprofit organizations and federally recognized Tribes. Funds may be used to help food banks and other food distribution facilities that experience an increased demand due to drought. Projects can include facility construction, renovation or the purchase and installation of necessary equipment, including food storage and distribution.	http://www.rurdev.usda.gov/hct_cf.html	No	No	No	Yes Long Term	Janice Waddell 530.792.5810 Janice.Waddell@ca.usda.gov

Economic Injury Disaster Loans (EIDL)	U.S. Small Business Administration (SBA)	Small, nonfarm businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations of any size may qualify for Economic Injury Disaster Loans (EIDL) of up to \$2 million to help meet financial obligations and operating expenses, which could have been met had the disaster not occurred.	For more information, contact SBA's Disaster Assistance Customer Service Center by Calling (800) 659-2955, emailing disastercustomerservice@sba.gov, or visiting SBA's website at www.sba.gov/disaster. Deaf and hard-of-hearing individuals may call (800) 877-8339. Applicants may also apply online using the Electronic Loan Application (ELA) via SBA's secure website at https://disasterloan.sba.gov/ela. NOTE: SBA will issue an EIDL disaster declaration in response to a Secretary of Agriculture declaration. SBA can also approve an EIDL declaration on its own authority when the State certifies that 5 or more small business concerns, suffered substantial economic injury as a result of an eligible disaster and are in need of financial assistance not otherwise available on reasonable terms. Funding is immediately available.	No	No	SBA	Yes	Richard A.
